

Kingdom is drawing nigh and the river of God-kind life is gaining new levels of spiritual development in our day.

THE MINISTRY OF JOHN, THE BAPTIST

While Jesus was living in the Galilean hills, John, called "the Baptizer," was preaching in the desert country of Judea. His message was simple and austere, like his desert surroundings: "Change your life. God's kingdom is here." John and his message were authorized by Isaiah's prophecy: Thunder in the desert! Prepare for God's arrival! Make the road smooth and straight! John dressed in a camel-hair habit tied at the waist by a leather strap. He lived on a diet of locusts and wild field honey. People poured out of Jerusalem, Judea, and the Jordanian countryside to hear and see him in action. – Matthew 3:1-6

God is still raising up model days disciples who carry out the ministry of John the Baptist. When it comes to the ministry of John, the Baptist many assume its just limited to the spirit of Elijah – it goes beyond that. John's ministry was birthed to confront and expose the blockage of kingdom advancement in the lives of those in his day. Please understand he did not tell the people about the blockage – it connected them to a source to get restoration as well. John teaches us how to effectively set the stage to advance Christ's kingdom domain with a kingdom culture mentality. Too many believers in our day aiming to advance Christ-centric kingdom by using religiosity and traditionalism formulas vice using the kingdom reigning government strategies.

Its more crucial in this present day to stay on the Lord's side and hearken and do what He has divinely instructed us to do than any other time in history. Please understand throughout the history of the generations, if a man set himself or herself on the wrong side of the road it open the doors for that man to experience the wrong type of results in his or her life. 2012 is a year of massive miracles and momentum manifestation. Be mindful, we got to give God something to work with and maintain a commitment to fully cooperate with the Holy Spirit. The anointing that's rest upon John, the Baptist, present, past and future is a conduit of light and his mandate is and was to bear witness of the light (that illumination comes from God). To bear witness means to provide evidence and give positive proof it happen or occur. John was and is a prophet but more than a prophet. You see, he had was graciously blessed to facilitate the ministry of the prophet however, there was a greater supply of God working in him and upon his ministry and life as well. The ministry of John revealed a passion that couldn't and can not be quenched it's reveals a heart and life that's contagious for Christ.

Our ultimate job is to prepare ye the way of the Lord and make his path straight – and make a people ready for our Lord's return. John lived in the wilderness of Judea and he clothed in camel hair, wore a leather belt and ate

locust and wild honey. His missions, message is to bring awaken to the people and compel them to repent and make right turns back to God.

John the Baptizer appeared in the wild, preaching a baptism of life-change that leads to forgiveness of sins. People thronged to him from Judea and Jerusalem and, as they confessed their sins, were baptized by him in the Jordan River into a changed life. John wore a camel-hair habit, tied at the waist with a leather belt. He ate locusts and wild field honey. As he preached he said, "The real action comes next: The star in this drama, to whom I'm a mere stagehand, will change your life. I'm baptizing you here in the river, turning your old life in for a kingdom life. His baptism—a holy baptism by the Holy Spirit—will change you from the inside out. – Mark 1:4-8

John broken the religion formation and barriers that hinder God's purpose advancing in their lives. He was connected to God in such a way he was not to conform to the image the people wanted or was normal in his day. John was not afraid to demonstrated acts, actions and agenda reveal being radical for Christ. Please understand people who are radical for Christ will do whatever He asks of him or her. Lets be a people who reason together and do whatever is required to please God and raise the bar of positioning yourself to live a maximize lifestyle that cause you to go stronger and harder for Jesus this year than you have ever before.

There are some profound things we can learn and grasp hold of from John's leadership model:

1. John prepared the people for the ministry of Jesus.
2. John was truth driven and a carrier of authentic word declaring truth. He was not afraid to confront the religion community and eradicate its stronghold beliefs and influence in the minds and hearts of those in his day.
3. He preached a clear and precise kingdom message.
4. He was more concerned about practicing the law of integrity rather than focusing on superficial images and matters.
5. He maintained a strong conviction to establish and execute the authentic kingdom operations and government – in other words, he employed truth in such a way it cause city and life transformation to arise in the land.

I'm baptizing you here in the river, turning your old life in for a kingdom life. The real action comes next: The main character in this drama—compared to him I'm a mere stagehand—will ignite the kingdom life within you, a fire within you, the Holy Spirit within you, changing you from the inside out. He's going to clean house—make a clean sweep of your lives. He'll place everything true in its proper place before God; everything false he'll put out with the trash to be burned. Jesus then appeared, arriving at the Jordan River from Galilee. He wanted John to baptize him. John objected, "I'm the one who needs to be baptized, not you! -Matthew 3:11-14 -

John submitted to Jesus leadership. This divine government reign of submitting is not like some in our generation call its real submission. Bible submission means to come under one's authority, to accept or yield to the authority of another person. Its not true submission when we aim to overture or override the authentic instructions the one we have absolutely position ourselves to come under that person authority.

John knew his role was to prepare a people for the Messiah and it required him to be subject under Christ's authority. He unselfishly laid his ego aside and humbly fulfilled his purpose and mandate based on honoring heaven's blueprint and cooperating with the Ruach Ha'Koshe (the Holy Spirit) without allowing mindsets and actions that hinder what God plans and purpose desired to accomplished in the earth through this great ministry resource and supply.

Many in our generation are not experiencing high level of destiny achievements and elevation because they are not laying down weights of flesh driven, appetites that's based on lusts and having ambitions of self-centeredness desires that are more weighty than God's wonderful vision and plans that employ blessings on the nations.

As modern day disciples we got to stop practicing henpecked and operation the law of being pacification – we must increase in being real, radical and advance Christ-dimensional realities – this should increase daily. We are determined to be edifice who raise up radical, real-time Jesus model believers who provoke the kingdom of heaven to come with one of the biggest heaven invasion we ever experienced.

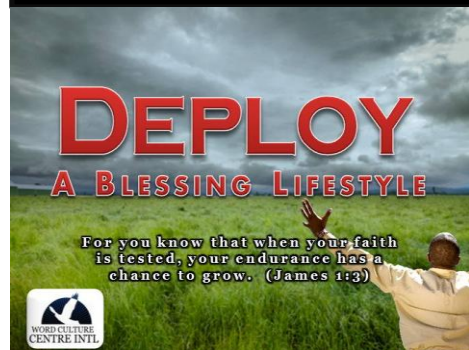

OUR MOTTO FOR 2012 IS TO GO STRONGER AND HARDER FOR JESUS THAN EVER – BUILD THE KINGDOM DOMAIN CULTURE CENTERS GOD DESIRES TO BIRTH IN THE EARTH IN THESE LAST DAYS.

MELCHIZEDEK OFFERING

HEBREWS 7:1-6 (AMPLIFIED)

FOR THIS Melchizedek, king of Salem [and] priest of the Most High God, met Abraham as he returned from the slaughter of the kings and blessed him, and Abraham gave to him a tenth portion of all [the spoil]. He is primarily, as his name when translated indicates, king of righteousness, and then he is also king of Salem, which means king of peace. Without [record of] father or mother or ancestral line, neither with beginning of days nor ending of life, but, resembling the Son of God, he continues to be a priest without interruption and without successor. Now observe and consider how great [a personage] this was to whom even Abraham the patriarch gave a tenth [the topmost or the pick of the heap] of the spoils. And it is true that those descendants of Levi who are charged with the priestly office are commanded in the Law to take tithes from the people—which means, from their brethren—though these have descended from Abraham. But this person who has not their Levitical ancestry received tithes from Abraham [himself] and blessed him who possessed the promises [of God].
